#### **Education**

Supervisors: Prof David Edwards and Prof Jane Hill

The impacts of forest conversion and degradation on climate resilience in the tropics. Investigating how loss and degradation of tropical forests affects species' exposure to climate change and their ability to respond, particularly by exploiting microclimates or shifts in distribution.

## Research and Other Relevant Experience

2019 - · · · · • Postdoctoral Researcher, Princeton University, USA.

- ♦ PI: Prof David Wilcove
- Exploring the effectiveness of different conservation strategies for recovering threatened species
- 2019 Postdoctoral Researcher, University of Florida, USA.
  - ⋄ PI: Dr Brett Scheffers
  - The global distribution of colourful birds and its relevance for the conservation of aesthetically appealing species
- - Synthesising scientific & grey literature to produce guidelines for applying rewilding at small scale
  - Responding to public & media requests for rewilding guidance
  - Organising & reporting on a stakeholder workshop on rewilding in the English uplands (Sandom et al., 2018)
- Nesearch Assistant to Prof David Edwards, University of Sheffield, UK. Fieldwork in Bornean rainforest:
  - ♦ Tree-liana interaction networks (Magrach et al., 2016)
  - ♦ Quantifying microclimates using thermal cameras (Scheffers et al., 2017)
- 2013 2014 O Consultant. UNEP-WCMC, Cambridge, UK.
  - ♦ Updating & analysing UNEP-WCMC Google Scholar profile
  - Incorporation of fisheries data into the Madingley model (www.madingleymodel.org)
  - o Intern in the Science programme. UNEP-WCMC, Cambridge, UK.
    Various contribution to the PREDICTS project (www.predicts.org.uk) and associated publications (Hudson et al., 2017; Newbold et al., 2015; Hudson et al., 2014):
    - Sensitivity analyses (part of R package development)
    - Collation and analysis of trait data
    - ♦ Species richness maps using spatial data from the IUCN Red List

## **Grants and Awards**

- ACCE Extension for Publication (£3,600), additional 3-month stipend to prepare and submit a high impact manuscript
  - ♦ British Ecological Society travel grant (£500), to attend ATBC Annual Meeting
- 2016 ACCE Placement Support (£1,500), 3-month placement at Rewilding Britain, UK
  - Departmental travel fund (£800), to attend Conservation Asia 2016
- NERC Doctoral Training Partnership studentship, including stipend (£55,452), research and training grant (£11,000) and fees (£17,484)
- 2013 Ourham Fund (£1,000), for UNEP-WCMC internship

In total (2010-2018) I have received £9,700 (USD \$12,643) of funding in addition to my PhD studentship.

## Teaching Experience

- 2017 2018 Brilliant Club Tutor

  Designed and ran 7-week course in ecology & conservation for students aged 13-14, with weekly University-style tutorials and assignments.
- oraduate Teaching Assistant, University of Sheffield, UK.

  R and statistics course for Masters and first year PhD students & Undergraduate field courses for modules: 'Population and Community Ecology' and 'Tropical Forest Ecology and Conservation'
- - ♦ **A-level Biology tutor**, Cambridge, UK.

# **Professional Development**

- Doctoral Development Programme, training courses for PhD students run by the ACCE Doctoral Training Partnership and the University of Sheffield, UK ⋄ Research Ethics and Integrity ⋄ Science in Policy ⋄ Quantitative Skills ⋄ Data Management ⋄ Careers and Policy ⋄ Science & Media
  - Attendance at Departmental Seminars, Department of Animal and Plant Sciences, University of Sheffield, UK.
  - Attendance at Sheffield R Users Group, Sheffield, UK.
  - Dayesian Methods to Fit Statistical Models in Environmental Science, NERC-funded training course, University of Strathclyde, UK.
  - Advanced Environmental Data Analysis using Geographical Information Systems, NERC-funded training course, Newcastle University, UK.

#### Service

Invited peer review

Global Change Biology & Global Ecology and Biogeography Ecography  $\diamond$  PLOS ONE  $\diamond$  PeerJ  $\diamond$  Plant Ecology & Diversity Current Landscape Ecology Reports & Forest Ecology and Management Frontiers in Forests and Global Change

Professional affiliations

Association for Tropical Biology and Conservation (ATBC) British Ecological Society (BES)

Committee membership

 Secretary of Postgraduate Society (2016 – 2017), Department of Animal and Plant Sciences, University of Sheffield, UK.

### Skills

Coding

• R = advanced, inc. package development and R Markdown

🥏 python" = moderate, inc. spatial analyses

LATEX = pasic

**Fieldwork** 

♦ Total of 7 months in Borneo lowland rainforest. In 2015, led project to quantify microclimates and microhabitats in selectively logged and unlogged forests, using thermal camera and dataloggers. Assisted in 2014 project to assess tree-liana interaction networks.

Additional experience of assisting biodiversity surveys in **Peruvian Amazon** (5 weeks), and deserts and mountains of Oman (6 weeks).

Statistics

 Experience of advanced statistical techniques including general and generalized linear models, additive models, mixed models and principal component analysis & Familiarity with Bayesian methods.

**GIS** 

Spatial analyses using R and ArcGIS.

Public Engagement

Invited panellist for University of Sheffield debate: "Visions of Nature in a World of 10 Billion" (2017)  $\diamond$  British Ecological Society (BES) "Roadie" at Wychwood Festival (2016) > Talk & practical session with Earthwatch Institute in Malua, Borneo (2015) ♦ Designed and hosted ecology stall at Discovery Night, University of Sheffield, UK (2015).

First Aid

Advanced Outdoor First Aid with ITC First, valid until September 2019.

Languages

English = native Spanish = basic

Driving

Full, clean UK driving licence.

# Media Coverage

 BBC Radio Sheffield, live radio interview discussing microclimates in logged tropical 2017

 Logged forests still offer refuge for endangered tropical species, Environmental Research Web, 27 October.

2016 • Public engagement training & Wychwood, **BES Bulletin**, Issue 15.

### **Research Publications**

I have 8 publications in international peer-reviewed journals, including 2 first author articles. My h-index = 7, i10-index = 6, and total citations = 1156 (as per Google Scholar Citations). I also have 3 accepted manuscripts.
